28 October 2022

Dear Parents / Guardians,

END OF YEAR INFORMATION SHEET (06/2022)

As 2022 draws to a close, we give thanks to our Greendale family, our partners and all who have been a part of our journey. This year, we were delighted to resume many events and activities fully. Although our signature level camps were non-residential, we managed to include a full suite of camp activities and it was with great joy that we saw all our students out and about at the end of Term 2. Next year, we hope to resume residential camps for the Sec 2 and 3 levels. One of the most jubilant moments of the year was Graduation Day, where we welcomed close to 500 parents, our biggest ever turnout, to witness their children in graduation gowns and commemorating the end of their growth journey at Greendale. It was emotional day of celebration and definitely one for the photobook!

We trust your child/ward has enjoyed the post-examination programme activities carried out this week and would like to share with you the following information for the school holidays as well as other information for 2023 that will be useful to you and your child/ward:

General Matters

1. School Operating Hours during School Holidays

The school will remain open during the Nov/Dec school holidays. The opening hours will be from 8.00am to 5.00pm, on Mondays to Fridays.

2. Attire and Grooming during the School Holidays

Students are expected to be properly attired with appropriate grooming when they return to school for bridging and remedial sessions, co-curricular activities (CCA) or other activities. For lessons, students are

expected to be in school uniform/polo t-shirt, sports shoes and plain white socks. For CCA, students may wear their CCA attire or t-shirts, school pants/skirts, sports shoes and plain white socks. If students are not properly attired or their hair is not of acceptable length and colour, they may be sent home to rectify the problem before they can return for CCA or other school activities.

3. Travel Declaration

To ensure schools continue to be a healthy and safe environment for all, we require parents/guardians to make a travel declaration for your child/ward only if he/she intends to travel for the holidays.

To make a travel declaration for your child/ward via Parents' Gateway (PG), kindly do so via the shortcut below. Alternatively, you may go to [SERVICES > DECLARE TRAVELS].

For travel during November/December holidays, please declare your child/ward's travel plan(s), indicating both the country and city of travel, and any city of transit, by 17 Nov 2022 (Thursday). Only one parent is required to make the declaration.

If your child/ward is not travelling during the holidays, no action is required.

When planning your travel, please refer to ica.gov.sg/enter-transit-depart for more information and updates on travel. If there is a change of travel plan(s) after declaration, please submit a new travel declaration for the updated travel destination via PG or inform the school for cancellation of travel plan(s).

4. 2023 Reporting Time

With our students' well-being in mind, as well as in response to the feedback from students and the Greendale community, we have reviewed our school start time for 2023. Morning assembly will commence at **8am from Monday to Friday** with effect from 3 January 2023 (Tuesday). Please note that our usual late Mondays will therefore no longer apply.

Students must be in school by **7.50am**. On the first day of school, students will report to their classroom. They will need to be properly attired and groomed. Students are reminded to bring a book for silent reading prior to the start of morning assembly. There is no change to school dismissal time. Lessons affected by the change in start time will be replaced by Home Based Learning (HBL) work.

We hope with the later start time, students will be more focused in school and have more flexibility to learn at their own pace through HBL. Thus, students will be able to take ownership of their well-being and learning.

5. 2023 Booklist and Sales of Textbooks and Uniforms

The booklist can be found in Annex A and will also be made available on the school website.

To minimise congestion, each level of students will be allocated specific dates and timings to purchase textbooks and uniforms. Parents are encouraged to purchase textbooks and uniform online.

8. Holiday Homework

Subject teachers have assigned Year End holiday homework to students. Each subject may assign up to 3 hours of homework and the school ensures that the amount of homework given is reasonable and allows students to still have ample time for other activities with family and friends during the holiday. Please refer to the link under 'Announcements' on the school website for the consolidated homework. It will be available for download by 27 October 2022. We seek your support to ensure that your child dedicates some time during the holidays to finishing his/her holiday homework.

9. Student Learning Space (SLS) System Upgrade

SLS will be temporarily unavailable during a system upgrade from Wednesday, 30 November until the evening of Thursday, 1 December 2022. Your child/ward may wish to take note of this and plan ahead if they have been assigned any holiday homework through SLS.

After the upgrade, your child/ward will be able to enjoy a single sign-on experience to SLS using the MOE Identity Management System (MIMS). Your child/ward has been briefed on the new login procedure.

13. Suggested Resources for Parents during School Holidays

School holidays are meant for our students to rest, recharge and spend time with parents. Without positive engagement, your child may be distracted and affected by negative influences such as excessive gaming, negative online peer influence, etc. This will be a wonderful opportunity for you to engage your child with their school experiences.

To support parents in strengthening the bond with their children this holidays, we have curated the following resources that can help you better engage and enrich your child:

- <https://www.schoolbag.edu.sg/>
- <https://www.parenttoolkit.com/>
- <https://www.edutopia.org/article/back-to-school-resources-parents>

We also strongly encourage parents to urge your child to visit:

- Student Learning Space (SLS) <https://vle.learning.moe.edu.sg/login>
- MySkillsfuture portal <https://www.myskillsfuture.sg/content/student/en/secondary.html>
- SLS empowers your child to learn at their own pace, revisit concepts and also read up on other areas of interest based on the MOE curriculum. It is a resource by MOE for MOE students and schools.

My Skillsfuture for students is a one-stop portal to help your child to discover more about his/her strengths and interests, explore education and career options and start planning for his/her future.

For more information, please visit the school website at <https://greendalesec.moe.edu.sg/> or Greendale Parents Connexion at <http://gdlss.edu.sg/parents/>.
