

Greendale Secondary School

NURTURING TALENTS DEVELOPING CHARACTER INSPIRING LIVES

31 January 2020

Dear Parent / Guardian

SIGNATURE GREENDALE LEARNING PROGRAMMES FOR SECONDARY 3 / 2020

1. Over the years, the school has customized signature Greendale learning programmes for the different levels to enrich the experience of our students and nurture them into Committed Learners, Critical Thinkers and Confident Leaders. For the Secondary 3 students, they are: (i) annual Level Camp, (ii) ELADNEERG III Concert and the (iii) Elective Modules (for Normal Course students).

2. **Secondary 3 Level Camp.** With reference to our letter on the Secondary 3 Level Camp dated 7 January 2020, we thank your support and prior consent. In view of the novel coronavirus situation, the school has carefully considered various factors including students' well-being, holistic student outcomes, as well as funding committed to vendors, and we will be proceeding with the camp in a different format, as an enhancement to our students' regular curriculum. While there is currently no evidence of community spread and MOE is not instituting social distancing measures, we will nonetheless step up the level of care for our students, which include modifying the camp programme and activities. All 2020 Level Camps will be **non-residential**. For the Secondary 3 Level Camp, the programme will also **no longer be held overseas** and has been **shortened** from 5 to 3 days. Students will report to school on Days 1 and 2 (10-11 Feb) for lessons as per their normal timetables. From Days 3 to 5 (12-14 Feb), they will be transported to specific locations or remain in school for the camp programme. Activities may include trekking along nature trails, beach-related activities etc. We are confirming the activities with the camp vendor. Throughout the entire duration of the programme, all precautionary measures will be taken. We remain confident and committed to ensure that the camp will remain a unique and rewarding learning experience for the students.

Please rest assured that our students' well-being remain our priority and we will continue to closely monitor developments, and update you again should it be necessary.

3. The programmes are subsidised by MOE/school and parents are required to make co-payment/s for the child's participation. For students¹ who need additional financial support, the school will be providing Opportunity Fund to help defray the cost outlay. Due to contractual requirements, the school has committed at least 80% of the cost. Based on the programme revisions, we expect a downward adjustment to the unit and co-payment costs indicated in **Annex**. The details are currently being finalized and will be shared when available.
4. If your child/ward is a Singaporean and you have established an Edusave Enrichment Standing Order, the co-payment will be deducted from your child's Edusave account upon you consent for his/her participation (refer to Consent Form attached). This is subjected to the availability of funds in the account. If you have not established the Standing Order and wish to do so, please obtain the Enrichment Programme Standing Order Form from the school's General Office. There will be no Edusave deduction if the school cancels the programme.

5. For students who have not established the Enrichment Programme Standing Order or do not have sufficient funds in their Edusave account, parents will be required to make the co-payment in cash or by cheque. Singapore Permanent Residents and International Students will have to make payment in cash or by cheque to the General Office. All cheques are to be made payable to "Greendale Secondary School".
6. We would appreciate it if you could acknowledge that you allow your child / ward to participate in the programmes and make the relevant co-payment as listed in **Annex** by **Monday 3 February**. Your kind understanding is sought.
7. Should you require more clarifications on the programme, please call Miss Tng Wee Li (Secondary 3 Year Head) at 63158616. And for payment enquiries, please contact our Administration Manager, Miss Nisha.

Yours sincerely

Ms Amy Ng
Principal
